For further discussion:

Looking back at your notes from this week's teaching, was there anything you heard for the first time or that caught your attention, challenged or confused you?

How has your life changed as a result of your faith?

What is the biggest step of faith you've taken?

Is there a time in your life that your faith has cost you? In what way?

There's no question that at times it can seem like our "faith" isn't working. Fortunately for us, God remains the same. Remembering who he is, how he works and what he's done is all part of keeping perspective in life's ever-changing expectations. What hope, promise and/or directive to live by do the following verses give us as we deal with life's circumstances while following Jesus?

**1 Peter 1:3-6**

**Proverbs 3:5-8**

**Romans 8:15-18**

**Psalms 147:**

**1 Corinthians 10:11-13**

**2 Corinthians 4:16-18**

**Romans 15:13**

**2 Peter 1:3-11**

In light of the Hebrews 11 teaching and study on faith in action, is there anything Jesus is calling you to start, stop or keep doing?

As you think through the sermon is there anything you'd like to focus on or change in the coming week?
