What are you building your life on; the things of this world or the Lord Jesus Christ?

For further thought:

- What is the most encouraging thing to you from this passage?
- What is the most challenging?
- We are told to pursue holiness. Share some ways this is demonstrated in your life?
- We cannot get around it. Believers, must pursue peaceful relationships. Verbs such as “pursue” and “seek” show it may not necessarily be easy to do, but God calls us to do it. What is your strategy for living at pace with others?
- Is there someone you are not living in peace with? What would it take to resolve that one?
- Read verses 14-16 and explain what if any responsibility the people of God have toward one another in regards to the instructions there. What does that look like practically?
- Give an example of a time when your world was being shaken but you experienced being part of a kingdom that cannot be shaken?
- Verse 28 says, The writer says, “Since we are receiving a kingdom that cannot be shaken, let us be thankful and so worship God acceptably with reverence and awe.” Have your group spend some time in prayer in which you express your worship to God for who he is, the grace He has given you, the mountain to which He has brought you, and that belong to His unshakeable kingdom.
